ORDER DISMISSING APPEAL

This case is before the Compensation Review Board ("CRB") on Employer-Petitioner's October 21, 2013 Application for Review ("AFR") appealing a September 26, 2013, Compensation Order. On January 17, 2014, the CRB received Employer and Carrier's Consent Motion to Stay Application for Review advising that the parties have settled this dispute and requesting this matter be remanded to the Office of Hearings and Adjudication.

Employer's October 21, 2013 AFR is dismissed without prejudice to request reinstatement in the event the proposed settlement is rejected. Any request for reinstatement must be made within 20 days of an Order denying the proposed settlement.

The matter is remanded to the Office of Workers' Compensation.
